

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UW 184

In the Matter of

SALMON VALLEY WATER COMPANY,

Request for a General Rate Revision.

RULING

**DISPOSITION: PUBLIC COMMENTS TO BE INCLUDED IN THE RECORD**

On the evening of December 8, 2020, the Public Utility Commission of Oregon held a public comment hearing by telephone. The submission of written comments by a member of the public was noted for the record. Another member of the public was present and provided comments by telephone. The member of the public was recognized as having the status of an interested person. Since that date, the Administrative Hearings Division (AHD) has received information with respect to the submission of additional comments to the Commission.

I find that inclusion of public comments in the record will assist the Commission in its consideration of the issues in these proceedings.

**RULING**

Each correspondence from the public with respect to these proceedings received by any division of the Public Utility Commission of Oregon shall be forwarded to AHD for docketing and inclusion in the record in these proceedings.

Dated this 11th day of December, 2020, at Salem, Oregon.
