RULING

DISPOSITION: MOTION GRANTED ON EXPEDITED BASIS; SCHEDULE
SUSPENDED

On March 23, 2022, Staff of the Public Utility Commission of Oregon filed a motion seeking suspension of the procedural schedule in this docket. As Staff reports that the parties reached a settlement in principle to resolve all issues in the docket, time is needed to document the settlement. The parties anticipate filing a stipulation and joint supporting testimony on or before April 30, 2022. Staff asserts that no party objects to the motion, and requests expedited consideration.

For good cause shown, I grant Staff motion on an expedited basis and suspend the procedural schedule. The parties are directed to file either a stipulation and joint supporting testimony or a status report by April 30, 2022. The parties are also reminded to file motions to admit testimony before the target date for the Commission order.

Dated this 29th day of March, 2022, at Salem, Oregon.
