RULING

DISPOSITION: MOTION GRANTED ON EXPEDITED BASIS; SCHEDULE
SUSPENDED

On August 26, 2022, Staff of the Public Utility Commission of Oregon filed a motion seeking suspension of the procedural schedule in this docket. Staff reports that all parties to the proceeding have reached a settlement in principle resolving all issues in the docket. The parties anticipate filing a stipulation and joint supporting testimony on or before November 1, 2022.

Although Staff did not request expedited consideration, I note that testimony from Staff and Intervenors is due on September 12, 2022. As Staff represents that all parties to the proceeding agree to the settlement in principle, objections to Staff's motion are not expected. For these reasons, I address Staff's motion on an expedited basis. For good cause shown, I grant Staff's motion and suspend the procedural schedule. The parties are directed to file either a stipulation and joint supporting testimony or a status report by November 1, 2022. The parties are also reminded to file motions to admit testimony before the target date for the Commission order.

Dated this 30th day of August, 2022, at Salem, Oregon.
