OF OREGON**

UW 194

In the Matter of

CROOKED RIVER RANCH WATER
COMPANY

Request for a General Rate Revision.

RULING

DISPOSITION: STIPULATION, TESTIMONY AND EXHIBITS ADMITTED; RECORD
CLOSED

On August 4, 2023, Staff of the Public Utility Commission of Oregon and counsel for Crooked River Ranch Water Company filed a motion to admit the stipulation, supporting testimony, and exhibits in support of the stipulation (Stipulating Parties/100-105), and attached declarations into the record of this proceeding. On August 21, 2023, the stipulation was re-submitted with attachments A and B, which were inadvertently excluded from the August 4, 2023 filing.

I find the testimony and exhibits offered by the parties, and supported by the declarations of the witnesses meet the standards for relevance as required by OAR 860-001-0450(1) and satisfy the requirements of OAR 860-001-0480. No party opposed the admission of any testimony or exhibits. The stipulation, testimony, and other exhibits are therefore admitted into the record as identified in the parties' motions. The record in this proceedings is closed.

Dated this 20th day of September, 2023 at Salem, Oregon.
