**DISPOSITION: SCHEDULE ADOPTED**

A prehearing conference was held in this matter on July 26, 2007. At the conference, parties conferred and proposed the following schedule:

August 9, 2007	Petitions to intervene due
August 16, 2007	Proposed budgets for intervenor funding due
September 19, 2007	PGE presents results at Commission meeting
September 19, 2007	Workshop
October 19, 2007	Parties file comments
November 9, 2007	PGE reply comments due
December 4, 2007	Staff final comments, recommendations, draft order
December 20, 2007	Reply to staff comments due
January 15, 2008	Staff public meeting report due
January 29, 2008	Staff presents recommendation at public meeting

The proposed schedule is adopted.

The Citizens Utility Board of Oregon has intervened as a matter of right. Petitions to intervene have been filed by the NW Energy Coalition and Renewable Northwest Project. Each petition is granted, pending the filing of a timely protest.

At the prehearing conference, I directed Portland General Electric Company (PGE) to submit an exhibit that discusses the circumstances and implications relating to a recent agreement between Pacific Gas and Electric Company and a wind energy supplier regarding a wind farm in eastern Oregon. PGE has ten days from the date of the prehearing conference to inform the Commission regarding its intended date for filing its response.

Dated at Salem, Oregon, this 27th day of July, 2007.
