Subject: FW: AR 641 Agenda for June 8

Good afternoon everyone,

Below is a preliminary agenda for our workshop on June 8th at 1:00 pm, and Zoom participation information. I note that we will have comments from stakeholders prior to the workshop. Depending on the areas of emphasis in comments, we may make this agenda more issue specific.

Also, I will plan to have a copy of the rules in a share-screen form during the workshop. We tried this during a recent public meeting, during Commission deliberation, and the discussion was easier to follow as a result.

Draft Agenda for June 8 Workshop:

1) Welcome and review of docket status
2) Comments, thoughts or changes to rolling redline of previously reviewed rules
3) Review of comments and proposed changes from Stakeholders for 3rd rule group
4) Identification of areas in need of more discussion or focus
5) Conclusion, review of next steps, discussion of schedule and format for Commissioner Workshop
