

1/12/06
UM 1209

Dear Parties:

In December, a ruling was issued that modified the schedule to change the hearing date to be tentatively held on January 20, 2006, if a party requested an evidentiary hearing. No party has requested a hearing, so the January 20 hearing is cancelled. Parties submitting testimony to be admitted into the record should submit affidavits to this end as soon as possible.
