RE: UM 2209/AR 638—Notice of Workshop on Idaho Power’s Wildfire Mitigation Plan

In compliance with the Public Utility Commission of Oregon’s (OPUC) Order No. 22-312, Idaho Power Company (Idaho Power or Company) is hosting a virtual workshop on Thursday, November 17th, 2022, to discuss changes to the Company’s forthcoming 2023 Wildfire Mitigation Plan (WMP) that take into account community and public safety partner feedback, as well as recommendations from OPUC Staff.

WMP Workshop Attendee Information

November 17, 2022
9:00-11:00 am Pacific (10:00 am – noon Mountain)
[WebEx Webinar Link](#)

Webinar number:

2592 257 9029

Webinar attendee password:

WMP2023 (9672023 from phones)

Join by phone:

1-650-479-3208 Call-in number (US/Canada)
Access code: 2592 257 9029

During this workshop, Idaho Power will provide a presentation to guide discussion. Attendees will be muted by default but will have an opportunity to ask questions during a Q&A and via the webinar chat function. The Company looks forward to discussion about its WMP with OPUC Staff, stakeholders in UM 2209 and AR 638, and the public.
