Subject: PSPS Kickoff Workshop with OPUC
Start: Tuesday, June 15, 2021 1:00:00 PM
End: Tuesday, June 15, 2021 2:30:00 PM
Location: Zoom
Attachments: [PSPS Agenda for June 15.pdf](#)

If you are receiving this calendar invite, it is because you have been identified as a person who may be interested in participating in the Oregon Public Utility Commission's (OPUC) Public Safety Power Shutoff (PSPS) permanent rulemaking. This rulemaking, listed under Docket No. AR 638 <<https://apps.puc.state.or.us/edockets/DocketNoLayout.asp?DocketID=22341>>, will create permanent rules for PSPS for Oregon Investor Owned Utilities (IOUs). The Oregon Commission has adopted temporary rules for PSPS, but these will expire in November 2021. The Commission's Order adopting the temporary rules can be found here <<https://apps.puc.state.or.us/orders/2021ords/21-167.pdf>>.

The OPUC's "kickoff" for the PSPS permanent rules is Tuesday, June 15th from 1:00 PM (Pacific) to 2:30 PM (Pacific). Attached to this invite you will find an agenda for the OPUC's "kickoff" workshop. Please also be on the lookout for a Zoom link before the workshop.

If you do not wish to be involved in the PSPS permanent rulemaking, please contact me as soon as possible, and I can take you off this distribution list.

If you have any additional questions, please do not hesitate to contact me (nadine.hanhan@puc.oregon.gov <<mailto:nadine.hanhan@puc.oregon.gov>>) and my colleague Lisa Gorsuch (lisa.gorsuch@puc.oregon.gov <<mailto:lisa.gorsuch@puc.oregon.gov>>).

Public Safety Power Shut-off (PSPS) Agenda for June 15, 2021

Team Leads: Nadine Hanhan Lisa Gorsuch

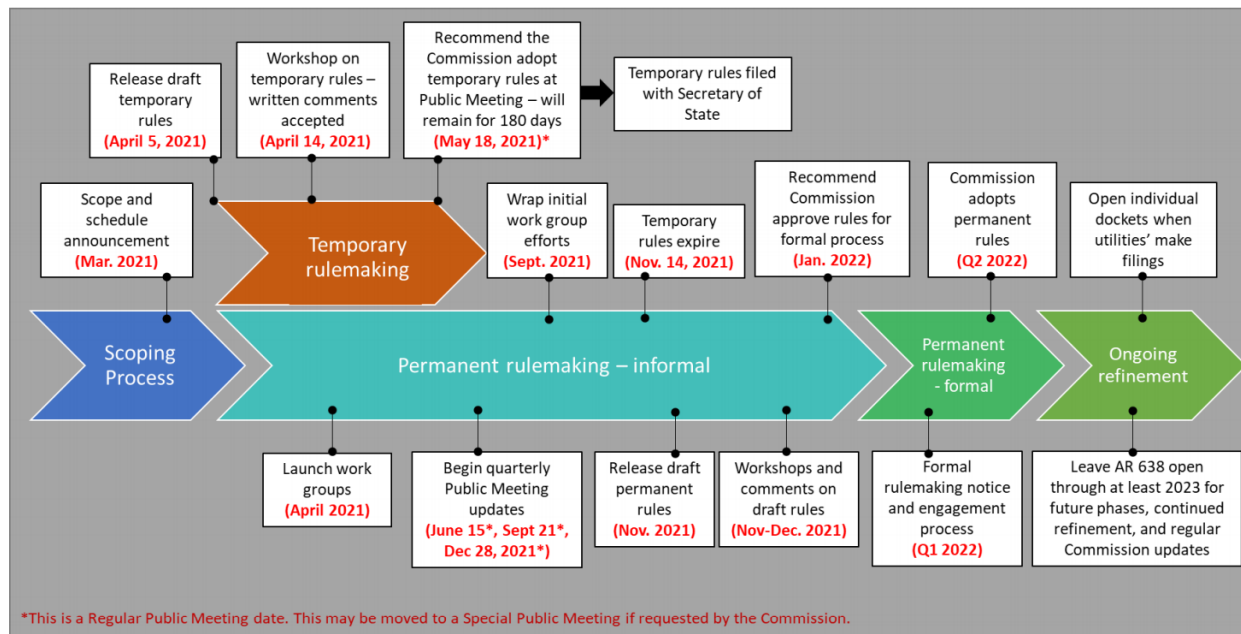

Staff PSPS Introductions (5 minutes):

- Nadine Hanhan
- Lisa Gorsuch

Summary of Where We Are Now (10 minutes)

- The Commission opened Docket No. AR 638 on August 25, 2020 to address risk-based wildfire protection plans and planned activities, and to ensure that reporting requirements reflect information necessary to facilitate wildfire preparedness in Oregon.
- Recently, the Commission adopted **temporary** amendments to OAR 860-024-0050, in addition to new temporary rules (OAR 860-024-0060 through OAR 860-024-0160), related to PSPS.
- Also related is Governor Brown’s Executive Order on March 10, 2020; Section 5B(4) directs the Commission to evaluate electric companies’ risk-based wildfire.
- The temporary rules expire November 2021; Permanent rules for PSPS need to be finalized before then.
- Participants in this rulemaking are invited to help OPUC Staff with these permanent rules.

Brief Review of Schedule to Orient Participants: (5 minutes)

Review of Staff's Initial Proposed Scope for Permanent Rulemaking: (20 minutes)

- Definitions
 - PSPS vs. Community Engagement
 - Need to ensure that we have consistent definitions that roll up for the overall rule
- Communication requirements – where temporary rules apply, we may agree to adopt certain aspects of the temporary rules for the permanent rules depending on input from participants
 - Who, How, What
 - Who should be prioritized in emergency communications? Should there be a tiered prioritization?
 - How should communications occur?
 - What are the timelines for communication protocols? (Some are already outlined in temporary rules)
 - Communication methodologies and requirements to coordinate with local jurisdictions
 - Possibility of participating in development of statewide notification system
 - Notification of vulnerable populations (overlap with Community Engagement Team)
- Coordination with Communication providers
 - Back-up power requirements
- Criteria for PSPS
 - Risk models and any other reasonable additional criteria identified by stakeholders

Gather Input from Stakeholders (Remainder)

- Feedback on Staff's Initial Proposed Scope
- Input on Temporary Rules
- What still needs to be considered?
- Any additional comments
- Next steps
 - Next date for workshop
 - Potential meetings once every three weeks or twice a month
