Summary

This workshop kicks off the informal phase of the AR 676 and AR 677 rulemaking to establish a multi-year ratemaking framework in line with House Bill 3179 (2025) and Senate Bill 688 (2025)[1]. The meeting objectives are as follows:

1. Introduce the AR 676 and AR 677 proceeding, including the directives established under HB 3176 and SB 688, as well as the proceeding timeline.
2. Share and discuss Commission and Participant objectives, desired outcomes, and success for AR 676 and AR 677.
3. Present Staff's multi-year rate plan (MYP) report (prepared by Current Energy Group), which will serve as a reference for future work.

Meeting Ground Rules

1. Respect differences of perspective and the time we have together.
2. Be open to continued learning and growth informed by new information; it is ok for perspectives to shift or change throughout the process.
