

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 67

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2017 Integrated Resource Plan.

NOTICE

This notice provides a description of the process the Commission intends to use as it begins deliberations of PacifiCorp, dba Pacific Power's 2017 Integrated Resource Plan (IRP) at the December 5, 2017 Regular Public Meeting. Following discussion and resolution of the first two items on the Regular Public Meeting Agenda, the Commission will turn to PacifiCorp's 2017 IRP. Subject to change based on how the deliberations proceed, the Commission intends to divide the discussion into two stages as follows.

For the initial stage, the Commission will seek input from the parties, through both summary presentations and Commissioner questioning. Staff will begin by providing a brief summary of its recommendations. Staff should limit its opening remarks to 10 minutes, with the understanding that the Commissioners will be asking Staff follow-up questions throughout the morning. Next, PacifiCorp will be given 10 minutes to summarize its requests, and update the Commission on any proposals for conditions to mitigate production tax credit (PTC) risk and tax law changes¹ and any changes to the size or timing of its proposals due to request for proposal (RFP) changes or other state proceedings. The parties that have filed formal comments in this docket will then be asked to summarize their comments, again with the goal of five minutes per party, subject to extension for Commissioner questions. Finally, subject to available time, members of the public may briefly make comments, aiming for two minutes each.

Following the initial stage and a lunch break, the Commissioners will shift to deliberations. During its deliberations, the Commission may have more targeted questioning of Staff, PacifiCorp, and the intervenors, but it anticipates the deliberation stage to primarily be a work session during which the Commissioners will be discussing the items amongst themselves, working through the company's proposed action plan and sharing thoughts on each decision item.

¹ PacifiCorp's Response Comments at 15 (Nov 28, 2017).

The Commissioners will likely adjourn the meeting without final decisions on all action items, and will return to reserved items and any other outstanding matters at the Special Public Meeting scheduled for December 11, 2017.

Dated this 1st day of December 2017 at Salem, Oregon.
