---

The Industrial Customers of Northwest Utilities (“ICNU”) files this Notice of Intent to Request an Issue Fund Grant in UE 201, pursuant to OAR § 860-017-0050 and the First Amended and Restated Intervenor Funding Agreement (“IFA”), approved by the Oregon Public Utility Commission (“Commission”) in Order No. 07-576 (December 20, 2007).

1. Portland General Electric Company (“PGE” or the “Company”) has filed an Application for Annual Adjustment to Schedule 126 under the Terms of the Annual Power Cost Variance Mechanism. The Commission will decide on the application in Docket No. UE 201.

2. UE 201 is an Eligible Proceeding under the IFA. The IFA defines an Eligible Proceeding as “any Commission proceeding that directly affects one or more of the Participating Public Utilities.” IFA, Section 1(c). UE 201 will directly affect PGE, which is a Participating Public Utility under Section 1(k) of the IFA. Therefore, an Issue Fund Grant may be made for this proceeding under Section 6.1 the IFA.

3. As required by IFA Section 6.2, this Notice of Intent is being served on each affected Participating Public Utility, all precertified organizations, and all parties identified on the service list from UE 201.

4. ICNU identifies the PGE Issue Fund Account as the account from which ICNU intends to request the Issue Fund Grant.

5. ICNU has been precertified under Sections 5.1 and 5.2 of the IFA and OAR § 860-017-0050(3), as eligible to receive an Issue Fund Grant.

6. ICNU will file a proposed budget with respect to the Issue Fund Grant, as provided in Section 6.3 of the IFA. Normally, ICNU would request what it expects to spend minus the required 20% in-house costs. ICNU is only requesting \$12,000 from the PGE Intervenor Fund account due to limited available funds in the PGE Issue Fund Account. ICNU will cover all additional costs with in-house payments. ICNU is requesting much less than it expects to spend in UE 201.

Dated this 22nd day of August, 2008.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
