PUBLIC UTILITY COMMISSION OF  
OREGON  
General Capacity Investigation

NOTICE OF STAFF  
WORKSHOP

The Public Utility Commission of Oregon will hold a Staff workshop in this docket as follows:

**DATE:** October 24, 2019

**TIME:** 9:00 am to 12:00 pm

**LOCATION:** OPUC Hearing Room  
Beardsley Building, 1<sup>st</sup> Floor  
201 High St SE  
Salem, OR 97301

This is the Phase 2 workshop of the General Capacity Investigation. As discussed in the Staff memo presented at the April 23, 2019 Public Meeting, Phase 2 will build a deeper understanding of how utilities acquire capacity. Specifically, how do utilities' priorities, needs, and processes for capacity acquisition vary by timeline or horizon (long-term, mid-term, hourly, seasonal, etc.)? What methods does each utility employ to fulfill these needs (RFPs, bi-lateral negotiations, market purchase, QFs or other capacity that is 'put' to the utility, etc.)?

Staff will circulate a more detailed agenda prior to the workshop.

The following conference call line has also been established:

Phone Number: 1-866-390-1828 or 216-706-7075. The access code is 2252868.

There is no need to RSVP. The meeting is open to the public. All interested parties should be sure they are on the UM 2011 Service List to ensure receipt of future announcements.
