**Re: UM 2033 – In the Matter of Portland General Electric Company, 2026-2028
Transportation Electrification Plan**

Dear Filing Center:

Portland General Electric Company's (PGE) originally designated discrete portions of its 2026-2028 Transportation Electrification Plan as containing confidential/protected information. PGE became aware on January 14, 2026, that the information previously designated as confidential/protected under the general protective order was made public. Per paragraph 6 of Protective Order No. 20-037, PGE is redesignating the entirety of its 2026-2028 Transportation Electrification Plan as nonconfidential.

Questions in this matter may be directed to tep@pgn.com.

Sincerely,

A handwritten signature in blue ink that reads "Brendan J. McCarthy".
