NOTICE

Notice is given that the Public Utility Commission of Oregon may address the merits of issues raised in the above-captioned dockets at an upcoming public meeting.

On January 22, 2026, the Commission will hold a special public meeting to discuss its principles and priorities to inform a Staff-led process for further refinement of the workplan and implementation of two executive orders:

- (1) Executive Order No. 25-25, Accelerating Wind and Solar Energy Development in Advance of Elimination of Federal Clean Energy Tax Credits, and
- (2) Executive Order No. 25-29, Executive Order on Reducing Greenhouse Gas Emissions and Advancing Oregon's Clean Energy Future.

Information about the special public meeting, including a link to it, can be found at:
[Special Public Meeting UM 2417 Identifying Priorities in Implementation of Executive Orders 25-25 and 25-29](#)

Parties are advised that the discussion at the January 22, 2026 Special Public Meeting has the potential to address issues that have been raised in the identified contested case proceedings.

Dated January 16, 2026
