Subject: FW: Docket Number UM 1452--Notice of Filing--Oregon PUC

Good afternoon, I am forwarding the below e-mail to all to clarify the prehearing conference (PHC) purpose. Due to notice requirements we were unable to hold the prehearing conference on the same day as the workshop. All participants should be assured they will have the opportunity to participate fully in the docket. Please discuss your ideas for the schedule at the workshop on October 23rd and the Commission Staff will be able to present them on October 28th.

There also will be a dial in number available for those who would like to attend or listen in to the October 28th PHC but are unavailable. In addition, the ALJ will issue a memorandum setting the docket schedule which will issue to all of you. Thank you.
