SUBJECT: SALMON VALLEY WATER COMPANY, INC:
(Docket No. UW 184/ADV 21-1) Files tariff in compliance with
Order No. 21-147

I have reviewed this filing and recommend that an acknowledgement letter be sent. With this filing, Salmon Valley Water Company, Inc. files tariffs in compliance with Order No. 21-147 in Docket No. UW 184.

Issue

Whether the filed tariff should be allowed to become effective for service rendered on and after August 1, 2021 for Phase 1 and August 1, 2022 for Phase 2.

Applicable Rule or Law

Pursuant to ORS 757.205(1)-(2) and OAR 860-036-2000, a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates. The requirements for tariff and advice letter contents are described in OAR 860-036-2010.

With Order No. 21-147 entered May 13, 2021, the Commission adopted the stipulation entered into between Salmon Valley and Staff in Docket No. UW 184. Paragraph II.3 of the Stipulation required the Company to file an attestation once the Foxglove7 well was placed in service. With that order, the Commission also directed Salmon Valley to file tariffs consistent with paragraph II.3 of the Stipulation with a Phase 1 effective date occurring on the first of the month at least one week after the in-service date of the Foxglove7 well with the Phase 2 effective date occurring one year afterward.

Analysis

In compliance with Order No. 21-147, on July 23, 2021, Salmon Valley submitted tariffs reflecting Paragraph II.3 to the Stipulation entered into between Staff and Salmon Valley in Docket No. UW 184. I have reviewed the filed tariff and replacement sheets, and find that this filing complies with Order No. 21-147.
