Docket UM 2033

**I. Persons Qualified to access Highly Protected Information under Paragraph 13:**

I have read the Modified Protective Order and agree to the terms of the order.

I certify that:

I understand that ORS 756.990(2) allows the Public Utility Commission of Oregon (“Commission”) to impose monetary sanctions if a party subject to the jurisdiction of the Commission violates an order of the Commission.

The party I am associated with has a legitimate and non-competitive need for the Highly Protected Information for this proceeding and not simply a general interest in the information.
