1 My name is Gordon Feighner, and my qualifications are listed in CUB Exhibit
2 101.

3 Idaho Power Company (hereafter, "Idaho Power" or "the Company") filed its
4 2012 Annual Power Cost Update (APCU) on October 20, 2011. The testimony supplied
5 by the Company in this filing (Idaho Power/100/Wright) addresses the Company's
6 October Update for the APCU. CUB analyzed this testimony and conducted discovery
7 along with the Commission Staff. The Company's responses to this discovery have
8 adequately addressed CUB's initial issues with this filing. CUB therefore does not seek to
9 raise any substantive issues in this round of testimony, but does reserve the right to raise
10 issues, related to continuing discovery efforts and the Company's March Update filing in
11 the next round of testimony. CUB anticipates that the March Update filing, which is due
12 on March 22, 2012, will likely produce significant power cost adjustments related to the

1 Company's hydro system, as 2012 is not looking to be a very good water year. CUB
2 expects to submit more detailed testimony in rebuttal to the Company's March Update.

3 Respectfully Submitted,
