**ERRATA TO
DIRECT TESTIMONY
OF
BRADY ADAMS
ON BEHALF OF
360NETWORKS (USA) INC.**

September 21, 2010

1 More than 80 percent of our voice service revenues depend on the terms and
2 conditions of our existing ICAs with QC. Thus any material change to the ICA
3 would dramatically impact our ability to continue to serve our voice customers. If,
4 however, we are given at least 3.5 years to prepare for and potentially mitigate
5 those impacts, it would improve our ability to make any necessary transition while
6 avoiding any undue disruption, either to 360networks' business or for our
7 customers. Any time period less than 3.5 years would make it nearly impossible
8 for us to accommodate the changes.

9 I also understand that precedent exists for an extension to be given to
10 interconnection agreements and other wholesale service contracts when one
11 telecommunications company purchases another telecommunications company.
12 Last year Frontier and Verizon agreed to a 30-month extension after closing to
13 the term of our interconnection agreements affected by the Verizon sale of
14 exchanges to Frontier in several western states. In addition, I understand that
15 AT&T voluntarily committed to extend existing agreements for **36** months beyond
16 the closing of its purchase of BellSouth. Based on my review of the testimony of
17 the other intervening CLECs in this matter, however, I agree that **36** months
18 would be insufficient. Under the specific facts of this merger, five- to seven-years
19 is more appropriate.

20
21 **IV. CONCLUSION**

22 **Q. WHAT IS YOUR RECOMMENDATION TO THE COMMISSION?**

23 **A.** I ask that the Commission reject the Application unless as part of any order
24 approving the transaction, CenturyLink and Qwest make the commitments listed
25 in my testimony and the testimony of the other CLEC witnesses.
