In the Matter of)	AMENDED REQUEST FOR

Request for a General Rate Revision.)

_____)	

Verde files this amended request for reimbursement, in light of payment received from NW Natural of 50% of its initial budget request. On November 7, 2024, Intervenors Community Energy Project (CEP), Coalition of Communities of Color (CCC), and Verde filed their request for payment of intervenor funding. At the time that Verde filed that request, it had not yet received the 50% payment ordered by the Commission Order No. 24-245. NW Natural notified counsel for Verde that payment was not made due to an accounting error which has been resolved. NW Natural has made payment of the 50% reimbursement to Verde as of the date of this filing. Accordingly, Verde amends its request for final reimbursement to request only 50% of its intervenor funding budget, in the amount of \$4,166.50.

CEP and CCC do not make any changes to their request for reimbursement. Accordingly, for the reasons described in their Final Request for Reimbursement filed on November, 7, 2024, and the reasons stated herein, intervenors respectfully request the Commission order final payment of the approved budgets for intervenor funding in the amount of **\$9,495** for CEP, **\$7,333** for CCC, and **\$4,166.50** for Verde.

Dated this 15th of November, 2024.

Respectfully submitted,
