RE: Advice No. 2025-001-PL for Qwest Corporation d/b/a CenturyLink QC Price List

Dear Commissioners:

Attached for electronic filing are revisions to the Qwest Corporation d/b/a CenturyLink QC Price List, submitted with a proposed effective date of March 01, 2025. A list of pages is included in Attachment A.

This filing increases monthly rates for various Custom Calling Services, Market Expansion Line, Directory Listings, and various Packaged Services. Customers were notified of these changes. Also under this filing, the Warm Line feature and Teen/Roommate Package are being deleted as there is no remaining customer demand.

If you have any questions regarding this filing, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Robyn Crichton".

5.4.7 INTRACALL SERVICE

A. Description

The *INTRACALL* Service provides a special calling feature to a residence or business line. It allows customers to use their standard residence or business telephone line to provide an intercom system between their primary telephone and any extension telephone. This is accomplished by the customer dialing an access code, hanging up, letting the telephone ring, and allowing both primary and extension to talk to each other. The ringing supplied to the line is a special ringing circuit which allows the customer to distinguish between a normal incoming call and an *INTRACALL*.

B. Terms and Conditions

1. The access code may be the customer's own telephone number or a special three digit code depending upon the type of central office from which the customer is served.
2. Interaction between *INTRACALL* Service and other Custom Calling type features will depend upon the type of central office from which the customer is served.
3. *INTRACALL* Service is not available to lines in a Hunt Group.
