RE: Advice No. 21-003 for United Telephone Company of the Northwest d/b/a CenturyLink,
OR PUC Price List No. 102

Dear Commissioners:

Attached for electronic filing are the following revisions to the United Telephone Company of the Northwest d/b/a CenturyLink, OR PUC Pricelist. This filing is being submitted with a proposed effective date of April 9, 2021. Attachment A includes a list of pages that are impacted by this filing and Attachment B includes the Price Plan Control List.

This filing increases business flat and measured monthly rates for One-Party and PBX Exchange Services. Also, rates are increasing for Joint User Service, Directory Listings, Custom Calling Services, Fixed Remote Call Forwarding, and various Packaged Services. Customers were notified of these changes.

Some Custom Calling Features, Express Touch Features and Solutions Packages for which there has been declining demand are being grandfathered.

If you have any questions regarding this filing, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Robyn Crichton".

EXCHANGE SERVICES

JOINT USER SERVICE

A Joint User is a person, firm or corporation authorized by a customer and the Company to share in the use of the customer's business telephone service.

CONDITIONS

- Written permission must be granted by the original customer in order to grant joint user privilege. One bill will be issued to the original customer who will be responsible for all charges for joint user service. It is the responsibility of the joint users to segregate the charges between them.
- The applicability of joint user service is determined by its obvious or actual use. Facilities are not to be extended from the premises on which the primary service is located for the sole purpose of furnishing joint user service.
- The rate for joint user service includes a listing in the telephone directory and is in addition to the rates and charges for the facilities and all other services furnished.
- Joint user service is not intended for use in situations involving the resale of telephone service.
- The minimum charge for joint user service shall be the monthly rate. However, if the listing is included in the telephone directory, the charge will continue until the end of the directory period unless:

The joint user vacates the customer's premises.

The customer's service is disconnected.

The business for which the joint user service is furnished is discontinued at the customer's premises.

The joint user becomes a customer to business service in the same exchange.

- Joint user service is only furnished in connection with business one-party telephone service. It will not be furnished as a substitute for additional directory listings.

RATE
