COMPETITIVE RESPONSE OFFERS

Waive Voice Installation NRC with High Speed Internet

Business customers who are contacted by the Company or who contact the Company and request this offer may be eligible for a discount on the nonrecurring charges that are applicable for installation of a new business line or trunk.

To be eligible, customers must subscribe to High Speed (HSI) Internet concurrent with installation of a new line(s) or trunk(s). Packaged services (bundles) that include a business line or trunk are eligible for this promotion. Customers will receive a discount of up to \$80 per business line or trunk installed for each location at which HSI is installed under the same order. There is no limit on the number of times a customer may place orders for new lines or trunks and receive this benefit during the promotional period.

The benefits awarded under this promotion may not be combined with the benefits of other currently available offers that waive nonrecurring charges.

Pure Broadband Bundle \$5 for 12 or 24

New and existing residence customers who are contacted by the Company or who contact the Company and request this offer and subscribe to the Company's Pure Broadband Bundle package and the Company's non-regulated High-Speed Internet may be eligible for a \$5 Bill credit for 12 or 24 months.

To be eligible, customers must agree to subscribe to the Company's Pure Broadband Bundle and the Company's non-regulated High-Speed Internet for either a 12 or 24 month term commitment. The customer must also agree to subscribe to one of the following qualifying services for either a 12 or 24 month term commitment: 1) a Company affiliated Verizon Wireless calling plan; 2) a Company affiliated DIRECTV programming package; 3) the Company's non-regulated PRISM video service; and /or 4) the Company's non-regulated home security Smart Home protection plan.

The initial bill credit will be reflected on the customer's first or second invoice following the customer's acceptance of this offer and will continue for the remainder of the term commitment thereafter. If a customer discontinues Pure Bundle, the Company's High Speed Internet, or any of the four qualifying optional services prior to the end of the 12 or 24 month period, no additional credits will be applied.

In no event will the application of this discount be used in conjunction with any other credits to take the customer's billed amount below zero.
