RE: Advice No. 2170 for Qwest Corporation d/b/a CenturyLink QC P.U.C. Oregon No. 33

Dear Commissioners:

Attached for electronic filing are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Price List, submitted with a proposed effective date of January 22, 2025:

<u>Section</u>	<u>Sheet</u>
5	7th Revised Sheet 3
5	2nd Revised Sheet 4
5	2nd Revised Sheet 25

This filing eliminates the Extended Area Service (EAS) route from the Salem and Albany exchanges to the Scio exchange. As a result of this change, calls to and from the Scio exchange will no longer be considered local calls. Impacted customers are being notified of this change to their service.

This change is the result of new switching configurations implemented by Scio Mutual Telephone Company and their subsequent petition to eliminate these EAS routes, which was approved by the Public Utility Commission of Oregon.

If you have any questions regarding this filing, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Robyn Crichton".
