EXCHANGE SERVICES

CONDITIONS

The rates listed are for facilities from the central office up to and including the network interface point.

Residential rates as shown do not include the Oregon Telephone Assistance Program (OTAP) or Lifeline Assistance credit. The customer qualifying for the Lifeline Assistance credit will receive a reduction on the lowest tariff single line residential rates which serves the customer's principal residence and the FCC End User Subscriber Line Charge (EUSLC).

All lines that connect to Key or PBX systems are trunks and are charged at the appropriate Key Line or PBX Trunk Rate.

Service connection charges apply to the establishment, moves, or changes of exchange service. See Section 3 (Service Connection Charges) in the Price List.

The following rates do not include the Service Assistance Program Surcharge.

Changes, additions, or transfers of service will not be permitted on accounts associated with these grandfathered services. You may remove a grandfathered service or listing from your account at any time. Please note, however, that grandfathered services and listings removed from your account may not be subsequently reinstated.
