RE: Advice No. 26-004 for United Telephone Company of the Northwest d/b/a CenturyLink, OR PUC Price List No. 102

Dear Commissioners:

Attached for electronic filing are the following revisions to the United Telephone Company of the Northwest d/b/a CenturyLink, OR PUC Pricelist. The following revisions are being submitted with a proposed effective date of August 1, 2026.

Section	Page
5	1st Revised Page 88
5	1st Revised Page 92

This filing proposes tariff revisions to clarify the annual price adjustment mechanics in the Rate Stability Plan associated with the Simply Unlimited offerings. The revisions are intended solely to improve clarity and alignment across our customer-facing terms.

Simply Unlimited Phone and Simply Unlimited Business are optional plans that provide customers a flat monthly rate for a bundle of local exchange features and services. These plans are designed to provide predictable pricing over time through a rate-stability construct.

This revision does not alter the offering's structure or customer eligibility. It clarifies the annual adjustment cap and removes language that could be interpreted as tying the adjustment to a broader "then-prevailing tariffed rate." The filing is therefore administrative and clarifying in nature.

As a reminder, in accordance with existing terms, customers will continue to receive at least thirty days' advance notice prior to any rate increase on a service-anniversary date. The plan's $5.00-per-year cap on adjustments remains explicit and unchanged in substance by this clarification.

If you have any questions regarding this filing, please contact me.

Sincerely,

Robyn Crichton
