RE: Advice No. 26-41, Housekeeping to Table of Contents

Portland General Electric Company (PGE) submits this filing pursuant to Oregon Revised Statutes 757.205, 757.210, and Oregon Administrative Rule (OAR) 860-022-0025, for filing proposed tariff sheet associated with Tariff P.U.C. No. 19, with a requested effective date of **November 11, 2026**:

Fourth Revision of Sheet No. 1-7

The purpose of this filing updates PGE's Table of Contents of General Rules and Regulations due to pancaking.

PGE filed ADV 1881/Advice No. 26-25 with the Second Revision of Sheet No. 1-7 which was approved by the Commission, effective September 4, 2026. PGE then filed UM 2024/Advice No. 26-28 with the Second Revision of Sheet No. 1-7 which was approved by the Commission, effective October 1, 2026. In this advice filing, Sheet No. 1-7 should have been filed as the Third Revision of Sheet No. 1-7 and included the changes that were filed in ADV 1881/Advice No. 26-25.

PGE is now filing the Fourth Revision of Sheet No. 1-7 to include the approved changes in ADV 1881/Advice No. 26-25 that were inadvertently omitted from UM 2024/Advice No. 26-28.

To satisfy the requirements of OAR 860-022-0025(2), PGE responds as follows:

The proposed change in this filing is merely housekeeping in nature. There are no PGE customers affected by the proposed change.
